Mr. Andrew Harsey, Watauga County Ranger with the North Carolina Forest Service, was also present. Commissioner Castle asked if there was a way for companies to log the timber left from Hurricane Helene as it was after Hurricane Hugo. Mr. Harsey stated that there was a Federal program for that; however, there was a shortage of contractors as the timber was not that valuable. He did state that there were a few contractors doing that in Watauga County. Mr. Harsey also stated that Watauga County had roughly 30% of timber down due to Hurricane Helene and recent wind storms.

The report was given for information only and, therefore, no action was required.

MIDDLE FORK GREENWAY EASEMENT REQUEST

Ms. Wendy Patoprsty, Middle Fork Greenway, requested the termination of an easement between Appalachian Regional and Watauga County which was filed in 2016 with the Register of Deeds Office. The plan was for the County to terminate the easement and the Town of Blowing Rock would secure a similar easement from Appalachian Regional and construction would begin for that portion of the Middle Fork Greenway. The easement was for land at the Foley Center which has since been annexed into the Town of Blowing Rock.

County Attorney Miller stated that the easement could not be swapped to a Town but could be swapped to a trust or non-profit. To ensure the easement goes to the Town of Blowing Rock, Mr. Miller proposed the Board terminate the current easement with Appalachian Regional Healthcare System, (ARHS) Inc., and donate the land back to ARHS so long as ARHS has donated the easement to the Town of Blowing Rock.

Vice-Chairman Castle, seconded by Commissioner Marsh, moved to terminate the current easement with Appalachian Regional Healthcare System, (ARHS) Inc., and donate the land back to ARHS contingent on ARHS donating the easement to the Town of Blowing Rock.
