7. PUBLIC COMMENT

There were three individuals who spoke during the Public Comment period.

Donna Lisenby- thanked the Board for keeping the same voting places. She did ask however; that based on reports in the news concerning the pressuring of County Board of Election members, were the Watauga County locations set and not subject to change this election cycle and had our BOE members been bullied into making any changes. Chairman Yates responded that our locations were set and by unanimous vote. He was also confident that our Board Members would not be bullied into making any changes. Ms. Lisenby also asked if the Board had received any direction as to Director Snyder and his position. Chairman Yates responded that the Board was completely behind Director Snyder and held him in very high regard.

Mary Britt- thanked the Board and Election Staff for all their work as well as the folks who work behind the scenes to make the elections run smoothly.

Kate Cahow- expressed concern based on what she had been hearing in the news for security and the potential of ICE presence at voting sites. Director Snyder replied that this was an issue brought up at the recent NCSBE conference and other NC Counties are also concerned about that issue. He indicated that ICE and other security issues would be discussed during the local law enforcement meeting that is held prior to the election.

8. ADJOURNMENT

Member Councill made a motion to adjourn which was seconded by Secretary Cirone. The motion passed 4-0.
