Board Members in attendance were Chairman Perry Yates, Members Leta Councill, Aaron Miller, Elaine Rothenberg and Secretary Terry Cirone. Also attending: Elections Director Matt Snyder and Deputy Director Donna Houck.

October 20, 2026

MINUTES

1. CALL TO ORDER
   Chairman Yates called the meeting to order.

2. PLEDGE
   All present pledged allegiance to the flag.

3. APPROVAL OF MINUTES FROM OCTOBER 13, 2026
   Member Councill moved to approve the minutes from the October 13, 2026, meeting which was seconded by Member Rothenberg. There was no discussion and the minutes were approved by a unanimous vote.

4. REGISTRATIONS AND STATISTICS
   There were fifty-nine (59) new registrations from October 13th to October 20th, 2026. These were all same day registrations. There are a total of 44,896 voters in Watauga County of which 38,601 are active. Member Miller made a motion to accept the report pending review, which was seconded by Member Rothenberg. The motion passed 5-0.

5. DIRECTOR'S UPDATE
   - Director Snyder reported that the equipment truck is back with the E-track rails installed.
   - He also stated that early voting had begun with just a few equipment hiccups but everything was now running smoothly. The Blowing Rock site had a DS300 issue on the first day and had to use the Alternate Bin, per NC statute, until the issue was resolved by cleaning the scanner bars. After the DS300 equipment issue was resolved, the ballots in the alternate bin were fed into the tabulator. In one instance, a voter who had used the Alternate Bin had marked their ballot choices with large X's instead of filling in the oval space. The DS300 rejected the ballot due to undetectable marks. Upon notification, Director Snyder had the Chief Judge at that location call the voter and ask if they would return to re-mark the ballot. The voter is a senior citizen (86) and did not want to return. The Chief Judge put the ballot in question into the Provisional envelope. Director Snyder then asked the Board if upon review of the ballot in question if they were in agreement that a ballot be re-marked to indicate the voter's choices based on the original ballot and then have it sent back to the precinct to be run through the

DS300. The Board all agreed that that was the right approach and ballot was re-marked.

- The BOE did have a call from a voter saying that people had been turned away from voting because the address on their photo ID wasn't in Watauga County. The issue was addressed with the election workers.

- Secretary Cirone asked Director Snyder if there had been any absentee ballots rejected to date and he replied that there had not been any such ballots.

6. REVIEW AND APPROVAL OF ABSENTEE ENVELOPES

There were seventy-three (73) civilian ballots, seventeen (17) overseas ballots and two military ballots that have been received by staff. Fifteen civilian ballots had an exception form. After review, Member Councill made a motion to accept the fifteen exception forms which was seconded by Member Rothenberg. There was no discussion and the motion passed 5-0.

During the review and tabulation of the absentee ballots one ballot was rejected due to the double marking of a specific race. Secretary Cirone made a motion to re-mark the ballot based using the darker marked circle for one of the candidates to determine the voter's choice. The motion was seconded by Member Rothenberg. After some discussion the motion passed 3-2 in favor of ballot re-marking.

After a review of all ninety-two (92) ballots by the Board, Member Councill made a motion to approve all ballots received and to accept the total number of two hundred sixty-five (265) as provided by the DS300 which was seconded by Member Rothenberg. There was no discussion and the motion passed 5-0.

7. ADJOURNMENT

Member Miller made a motion to adjourn the meeting which was seconded by Member Councill. The motion was passed unanimously.

The next meeting of the BOE is October 27, 2026, at 5:00 p.m.

Director's Update

- Equipment truck is back with the E-track rails installed. Bought some ratchet straps and D-rings to outfit the truck. Will buy a lockable fuel cap.

- Blowing Rock had a DS300 issue on the first day and had to use the Alternate Bin, per NC statute, until the issue was resolved (cleaned the scanner bars). After the DS300 issue was resolved, the ballots in the alternate bin were fed into the tabulator.
  One of the voters who used the Alternate bin marked their votes using a large X. The DS300 rejected the ballot for undetectable marks. I asked the CJ to call the voter and ask if they would return to re-mark their ballot. The CJ spoke with voter who said they didn't want to return (they are 86). I asked the CJ to put the ballot in question into a Provisional envelope.

- Oct 19 we had a call from a voter saying that people had been turned away from voting because the address on their photo ID wasn't in Watauga County. The issue was addressed.
