COUNTY MANAGER'S BUDGET MESSAGE

FY 2016-2017

April 28, 2016

To the Watauga County Board of Commissioners:

The proposed Fiscal Year (FY) 2016-2017 Budget for Watauga County, North Carolina, has been prepared in accordance with the North Carolina Local Government Budget and Fiscal Control Act (North Carolina General Statute §159-8). The budget identifies revenue and expenditure estimates for FY 2016-2017 and continues to provide necessary services to the citizens of the County. A copy of this document will be available for public inspection on the County's website, in the County Manager's Office, and at the public libraries located in Boone, Blowing Rock, and the Western Watauga Community Center.

A primary goal for the North Carolina Association of County Commissioners for the short session of the General Assembly is to seek sales tax flexibility for counties. Senate Bill 605 expands Article 43 transit tax to educational purposes and increases Article 46 tax from ¼ to ½ cent, giving counties two more options for additional revenue. There is the possibility for further expansion of Article 43 for general use in addition to transit and educational purposes. The bill has passed the House and is eligible for consideration in the short session.

Modification and expansion of Article 43 and 46 could provide the funding for a Recreation Center and County School capital needs. Staff estimates that an additional ¼ cent sales tax would generate approximately \$2 million in revenue. Currently, each sales tax option requires voter referendum. Consideration is being given to allow the options to be passed by Commissioner resolution.

The proposed budget is balanced with no increase in the property tax rate of 31.3 cents per \$100 valuation. No fee increases are proposed. The purpose of this message is to convey the most important aspects of the proposed budget, including recommended major changes in revenues, expenditures, and programs for the coming fiscal year. The budget document will evolve over the next several weeks based on input and decisions made by the Board of Commissioners

Budget Highlights

- Maintains the current ad valorem tax rate at \$0.313.
- Fully funds School System current expense request with a 4% set aside for potential COLA.
- Provides funding for critical County facilities maintenance and repairs.
- Balanced budget with no unassigned General Fund balance appropriation.

during the budget process. The budget document is not final until a public hearing is held and formal adoption by the Commissioners.

GENERAL FUND REVENUES

The General Fund budget totals \$45,504,379, a \$917,395 increase over the adopted Fiscal Year 2015-2016 budget.

Ad Valorem Taxes – No change is recommended in the current tax rate of 31.3 cents per \$100 of valuation. The total assessed value of \$8.837 billion will generate approximately \$26.9 million in revenue based on a collection rate of 97.50%. This is a nominal increase. One penny at a 100% collection rate equals \$883,761. Property tax revenue comprises 60.70% of the General Fund revenue. Commercial development is experiencing steady growth while residential development continues to lag behind past figures. Historically, residential growth has been a major revenue component for the County.

Sales Taxes – Growth is anticipated at 5% above current year budget. Sales tax distribution based on ad valorem versus per capita is entering its third year. The County may need to re-evaluate the hold harmless agreements with the Towns as the County is now experiencing a minimal loss due to the change. Sales tax is 24.23% of the General Fund budget.

State/Federal Shared Revenues – Funding levels are projected to remain at current levels with limited increases.

Permits, Fees and Sales & Services – Revenues generated by Register of Deeds, Planning and Inspections, Parks and Recreation, Sheriff's Office, and the License Plate Agency are budgeted with minimal growth.

Miscellaneous Revenues – Revenues increased due to the addition of indirect cost reimbursements from the Solid Waste Fund to reflect services provided by management, finance, and IT in the operation of the Solid Waste Department.

Investment Earnings – Earnings are projected to increase for the first time in four years. \$70,000 is budgeted for FY 2016-2017.

Fund Balance Appropriations – A \$71,875 appropriation from the Deeds Automation Enhancement and Preservation Fund is recommended for equipment, software, and records preservation.

GENERAL FUND EXPENDITURES

The County's expenditures are divided across several major service areas. The recommended budget maintains current County services. The School System was allotted an overall increase of \$493,526 in funding.

Education*Public Schools*

Current operating costs are recommended at \$12,713,137, which is an increase of \$310,101. A 4% COLA, \$228,688, has been requested to cover salary increases and is budgeted to be disbursed based on the State's adopted budget. \$300,000 is recommended in current capital totaling an increase of \$434,056 in current expense and capital. Utilization of lottery funds (estimated distribution for FY 2016-2017 is \$300,000), ADM reserve funds (estimated balance is \$2,750), and County allocations will continue to be required to meet capital needs. The Watauga County Schools' Capital Improvement Plan is scheduled to receive a \$50,000 increase for a total of \$400,000 for Fiscal Year 2016-2017. The current CIP balance for the School System is \$1,150,335. The plan is to provide \$500,000 in County funds for future capital and \$750,000 in State and County funds for current capital projects by FY 2019-2020.

10 Year County Funding Summary for Watauga County Schools

*Community College*

Caldwell Community College and Technical Institute (CCC&TI) is recommended at \$916,960 which fully funds the request. Fiscal Year 2016-2017 marks the second year since Fiscal Year 2007-2008 that a portion of CCC&TI's capital request is being built into the budget in the amount of \$50,000. The purpose of the funding is to provide for the construction of a new classroom facility.

Human Services

The overall appropriation of County funding for the Department of Social Services is \$1,720,372, a decrease of 8.83% over the previous year. Staff was able to reduce funding by continued utilization of the State increase in the percent of reimbursement from 50% to 75% for income case maintenance work related to Medicaid and food nutrition services.

Total funding appropriation for the Appalachian District Health Department remains the same per their request for a total budget amount \$585,228. \$57,555 is budgeted separately for maintenance and utilities of the facility.

Smoky Mountain Center funding is proposed at the current level of \$171,194.

Maintenance of Facilities

The \$75,000 for building repairs and renovations to preserve and prolong facilities continues to be budgeted. An additional \$234,500 has been recognized for roof and HVAC repair at the West Annex. Another vehicle has been budgeted to replace the aging vehicles within the department.

Information Technologies

Technology needs are budgeted and meet critical requirements for all County Departments.

Public Safety

Sheriff's Office

The Sheriff's Office budget reflects an increase of \$59,655 for a total appropriation of \$3,681,475. This budget includes an additional administration position and the purchase of six (6) new Sheriff's vehicles to replace current high mileage vehicles. The County is closing the gap regarding vehicle replacement due to past deferments.

The Detention Center operational budget is estimated at \$2,186,005. The increase of \$83,155 is attributable to the replacement of a transport van and personnel expenses.

Cultural & Recreational

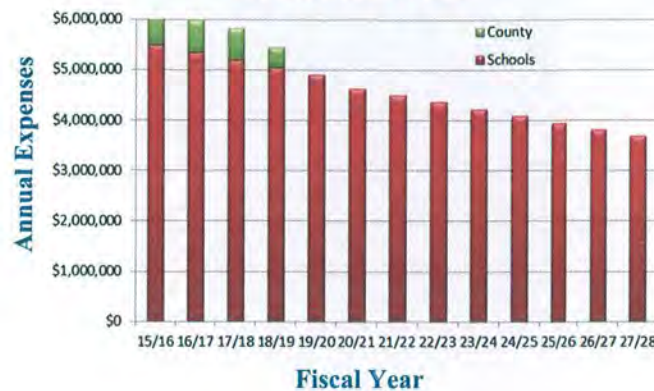

The Library is proposed at \$540,308 which fully funds their request. The \$43,030 budgeted for the maintenance and utilities of the facility are in addition to the \$540,308 operating expenditures.

\$75,000 continues to be allocated in the aquatic center's building budget to cover needed repairs. There is no projected end for such funding until a major overhaul, construction of a new facility, or closure of the facility occurs. Per Board direction, \$5,091,692 has been set aside for the eventual replacement of the pool complex. The Board designated \$1,843,552 in Fiscal Year 2015-16 to be set aside for future recreational facilities.

Debt Service

Debt service expenditures reflect the funding of existing financing. \$5,348,988 of the \$5,999,638 budgeted amount is for the School System. Below is a detailed breakout of the County's current debt.

Debt Service

Human Resources

A total of thirteen (13) new positions, seventeen (17) reclassifications, six (6) salary adjustments, and three (3) increases in hours worked were requested. One (1) new position within the Sheriff's Office is recommended to provide administrative support. The need was identified by the Sheriff and his staff as a priority of his personnel requests. Nine of the seventeen (17) reclassifications are recommended as they meet the level II requirements per County policy. A three percent (3%) cost of living adjustment for all County employees has been budgeted. The COLA will assist the County in offering competitive wages and employee retention.

SOLID WASTE (Enterprise Fund)

Funding is recommended at \$4,528,590 a 0.55% decrease over last year. Staff has built in \$381,000 in capital funding for the replacement of a trash truck, snow plow truck, tire trailer, two (2) recycling roll offs, and one road tractor.

CAPITAL PROJECTS

Fiscal Year 2016-2017 is the second year since Fiscal Year 2008-2009 that funds have been included in the original budget for County capital needs. \$500,000 is recommended for County capital needs. The County received requests totaling \$19,816,637 for Fiscal Year 2016-2017 capital needs. Staff has continued the trend of not drawing down funds from the Capital Project Fund for capital items that need to be budgeted in current operating expenses.

The CIP is designed to enumerate priorities for the long-term maintenance and improvement of infrastructure and facilities provided to County residents and balance the fiscal impact on the tax rate. Adequate funding of the CIP is necessary to prevent loss and erosion of capital assets while developing and budgeting for future capital projects.

SUMMARY

The attached budget is recommended for review and approval as a balanced budget realizing the best available estimates of new and current revenues. Watauga County continues to remain financially strong due to the leadership of the Board and the stewardship of County staff. Through solid leadership the County has been able to maintain the services residents and citizens

expect and desire in such an area associated with a high quality of life. The proposed Fiscal Year 2016-2017 Budget will mark the eleventh (11) year the property tax rate has remained level at \$0.0313 with no increase.

At the State level, discussion regarding sales tax expansion and flexibility has the potential to offer additional revenue that could be used to fund school capital needs and construction of a recreation center. However, revenue and expenditure estimates have been prepared conservatively with no sales tax expansion forecasted. Staff has made provisions in the budget to initiate the planned replacement of capital needs associated with County facilities. As detailed in the budget, the West Annex will start the process with a new roof and HVAC units.

Department heads and staff have worked many hours in the preparation of this budget. Much time and effort has been taken to provide a budget that addresses the needs of the community while operating within the financial framework afforded. I commend the work of staff and would like to especially acknowledge the assistance and hard work of Finance Director Margaret Pierce. Watauga County and I are fortunate to have all of these dedicated and skilled professionals as employees.

Respectfully Submitted,

Deron T. Geouque
County Manager
