**THE RULES HAVE CHANGED!**

The Quick Start Tennis Program is being offered to allow younger children who have an interest in tennis to learn and succeed at a faster rate. To accomplish this our program will tailor equipment and courts to a child's size so they can develop skills and have fun from the beginning. The standard court size for 5 - 8 year olds is now 36' x 18' instead of the traditional full size court (78' x 27') and the traditional ball has been replaced by a reduced bounce ball.

**All equipment will be provided as part of the program fee.  
All your child will need to do is show up each day for class in a pair of tennis shoes and athletic attire. To be eligible for this program a child must be ages 5 - 8 as of June 1st 2013.**
