We would all like to see softball grow in this area with regard to interest, ages and programs offered, as well as overall quality of the game played. This is one step in that direction. If you are interested in playing Junior League Softball and are 13 or 14 years old as of December 31, 2013, please return this form to Watauga County Parks and Recreation by April 11, 2014. The schedule will consist of approximately 12 games with any combination of playing other recreation department teams, recreational tournaments, and/or travel-style tournaments. Since this is new and the schedule is not yet set, we will not know the registration fee or potential schedule until we officially start taking registration.

We are very excited about growing this program with your help!

2014
Junior League Softball
Information Sheet

Registration Fee will be approximately \$65

Deadline: April 11th

- Equipment:** Watauga County Parks and Recreation will provide basic practice and game team equipment and jerseys. Players will provide player equipment (i.e. glove, pants, etc.) and any additional or supplementary equipment (i.e. personal bat, personal helmet, etc.) if that player so desires.
- Registration:** Once the league has made and schedule determined, registration fees will be collected, and this will become your registration form.
A decision on the league will be made on April 11, 2014. Registration fees will be collected the week of April 14-18. If there is still space available, late registration MAY be accepted during this week as well.
- Cost:** We are approximating a fee of \$55-\$75 based on the combination of recreation-style season games and tournament-style events.
- Eligibility:** All players must be 13 or 14 years of age on December 31, 2013.
- Age Verification:** Every player must have a copy of her birth certificate on file at the Parks and Recreation office. Players may also be required to present a report card in the tournament setting; this will not be collected until it is necessary.
- Season Dates:** Games are looking to start late April and run through June. Game times and locations will depend on the schedule composition.
- Make it Happen:** If we receive at least 13 players, we will have one team. Otherwise, the registration numbers will help determine the draft procedures, roster flexibility, and schedule composition.
- Important:** It is important to get these forms in to the office to show your interest. Without enough players at this level, a league will not be pursued further, and the opportunity will be lost for this season!
