The Watauga Junior Tennis Team allows players of all skill levels to participate and advance at their own pace. Beginner/Intermediate Class instructs players who have never picked up a racquet before to teach them the basics of tennis and works with intermediate students on mastering the basic skills and beginning game strategies. The Advanced group learns more advanced strokes and strategies. These players are also given the opportunity to compete against each other and some outside opponents as well. Kids learn to enjoy the game of tennis, to try their best, and how to handle losing as well as winning.

**Note: There is no deadline!**

This program accepts registration throughout the Junior Tennis Team Season.
